LB 152, 505A, 505

SPEAKER BAACK: That won't be necessary, yours was the last light on. I will go to Senator Schellpeper to close.

SENATOR SCHELLPEPER: Thank you, Mr. Speaker and members, I would just urge everyone to support LB 505. I think you've heard that it is an important step in our rural health care along with 152. We also need to take a look at LB 152 and to try to help the private colleges, but this bill is designed strictly for the UN medical college and I would appreciate your support for this bill because it is something that is really needed in our rural areas and it will be helpful for health care in those areas. Thank you.

SPEAKER BAACK: Thank you, Senator Schellpeper. You've heard the closing on the advancement of LB 505. We will now vote on the advancement. All those in favor vote aye, opposed vote no. The bell is not working. Have you all voted? Record, Mr. Clerk.

CLERK: 26 ayes, 0 nays, Mr. President, on the advancement of 505.

SPEAKER BAACK: LB 505 advances. Go to LB 505A.

CLERK: 505A introduced by Senator Schellpeper. (Read title.)

SPEAKER BAACK: Senator Schellpeper.

SENATOR SCHELLPEPER: Yes, Mr. Speaker and members, LB 505A, the appropriation bill with LB 505 calls for \$100,000 in '93-94 and \$300,000 in '94-95. Now this part of the A bill was in the Governor's budget but we still may need to take a look at it as we get down farther into the session and the \$100,000 that it calls for in the A bill for '93-94 may not be needed, all of it. We could maybe back that up to 60 or 70,000, but at the present time the A bill calls for 100,000 '93-94 and for 300,000 '94-95. Thank you.

SPEAKER BAACK: Thank you, Senator Schellpeper. Any other discussion on the advancement of LB 505A? Seeing none, do you wish to close? He waives closing. We'll now vote on the advancement of LB 505A. All those in favor vote aye, opposed vote no. We're voting on the advancement of LB 505A. Have you all voted? Record, Mr. Clerk.
